「FFRI yarai Terms and Conditions of License Agreement」

Comparative Table of the Old and New Clauses

The words related to the revision are underlined.

Old	New
ARTICLE 1 ~ ARTICLE 10 （Omitted）	ARTICLE 1 ~ ARTICLE 10 （No change）
ARTICLE 11　ENTIRE AGREEMENT 1.　This Agreement, including additional provisions or amendments to this Agreement attached to the Product, shall constitute entire agreement between a customer and FFRI with respect to the Product and its support services (if applicable), and shall supersede all manifestation of intentions, proposals, representations, etc., whether oral or in writing, in regards to the Product and other matters to which this Agreement is applicable. 2.　In case there is any inconsistency in provisions between FFRI's policy statements or programs related to support services, the provisions in this Agreement shall control. 3.　FFRI shall be entitled to amend this Agreement without an individual agreement with a customer. FFRI shall also be entitled to amend contents of support services or other notification contents without prior notice to a customer, in case such amendments are made, the previous Agreement or contents shall become invalid and the latest amendments shall control. Please refer to the web page for this Agreement (https://www.ffri.jp/products/eula/yarai_en.htm) for	A ARTICLE 11　ENTIRE AGREEMENT 1.　This Agreement, including additional provisions or amendments to this Agreement attached to the Product, shall constitute entire agreement between a customer and FFRI with respect to the Product and its support services (if applicable), and shall supersede all manifestation of intentions, proposals, representations, etc., whether oral or in writing, in regards to the Product and other matters to which this Agreement is applicable. 2.　In case there is any inconsistency in provisions between FFRI's policy statements or programs related to support services, the provisions in this Agreement shall control. 3.　FFRI shall be entitled to amend this Agreement without an individual agreement with a customer.
